

# Planned HPSS DB2 Support

John Wilson

6/18/02

# Disclaimer

- This is our current plan
- Not cast in concrete yet
- Negotiations are taking place with another IBM division to finalize details of the support costs

# Options

- Purchase full license through your IBM marketing channel
- “Limited Use License”

# Full License Option

- Per processor pricing for both initial purchase and ongoing support
- Freedom of use
- Support and upgrades through Passport Advantage program
- Potential discounts and special bid pricing

# Limited Use License Option

- Based on HPSS Instance, not per processor
- No initial charge for Limited Use License
- Support through HPSS team, cost is included in your renewal or existing support arrangement(see T&C slide...)
- HPSS Team involves DB2 support as needed

# Terms and Conditions

- “Limited Use License”
  - No new tables or user data
  - No connections from other applications
  - No non HPSS queries
- IBM Houston will stipulate that if customer is running on an out of service version of DB2 then we will charge hourly for support(significant hourly rate...)
